PAGO DE LOS CAPELLANES

In the 13th and 14th centuries, a chapel existed in the nearby village of Pedrosa de Duero. The inhabitants of the village donated small parcels of land to the chaplains as a way to show their appreciation. The chaplains of Pedrosa came to have a sizeable landholding, but with the Mendizábal confiscation of 1855, the properties of the church and the clergy were given over to the Pedrosa city council. Despite this, the inhabitants of Pedrosa continued calling the area Pago de los Capellanes in honour of the chaplains.
